- AT 212
- AT 212 slim
- AT 115
- AT 410
- AT 610
- AT 810
- NF 110
- NF Cube 112
- NF 112H
- NF 208
- NF 210
- NF 210V
- NF 212
- NF 212 slim
- NF 115
- NF 410
- NF 610
- NF 810
- GR 110
- GR Cube 112
- GR 112H
- GR 208
- GR 210
- GR 210V
- GR 212
- GR 212 slim
- GR 115
- GR 410

The manual includes the following information:

- General information (technical data and packaging)
- Description of the amplifier's functions.

All the information described in this user manual is verified.

The manufacturer reserves the right to update or modify their product without any notice.

PACKAGING AND STORAGE

PACKAGING

All the cabinets are packed in a special cardboard box.

TRANSPORT

Please handle the box with care. A specific position during transport is not required.

STORAGE

Please keep the amplifier in a dry and ventilated place. Ideal storage conditions: Temperature within -20C and 40C, Humidity 20% to 80%.

PRODUCT DISPOSAL

Please follow the disposal instructions issued by your local council. By European Directive 2002/96 / EC, all electrical and electronic products should be disposed of by specific collection facilities appointed by the government or the local authorities.

DECLARATION OF CONFORMITY

The product complies with the following European directive:

2014/35 / EU - Electrical Safety

2014/30 / EU - Electromagnetic Compatibility

2011/65 / EU - Limited use of certain hazardous substances in electrical and electronic equipment

A full copy of the declaration of conformity is available from the manufacturer. The manufacturer is not responsible for any damage due to improper use of the product.

MAIN FEATURES

- 2 SPEAKON / JACK audio input and output.
- On/Off selector for the tweeter.
- 3-Level selector for the tweeter.

CONTROLS DESCRIPTION

1. Inputs and outputs Speakon / Jack Combo plug. We suggest using a good-quality cable to obtain the best audio performance. You can use the second Speakon/Jack to send the signal to an additional speaker.
2. You can select the amount of signal that will be played by the tweeter.

LIMITED WARRANTY

GR Bass products are under warranty for 2 years.

The user can get 3 additional years of warranty by registering the product on the GR Bass website.

If the customer won't register the product, the customer will have the standard limited guarantee of 2 years.

The warranty covers any defects in material or workmanship under normal use during the warranty period.

Any shipping cost to/from the repair service center is the customer's responsibility.

In the event of irreparable damage or repeated failure of the same type, the manufacturer may replace the unit, within the term of the original warranty.

GR Bass is not responsible for shipping damage, either to or from our service center.

Claims must be filed with the carrier.

The warranty does not cover parts that may result in faulty due to:

- Careless use
- Improper installation and maintenance
- Tampering made by unauthorized personnel
- Damages that might not be related to manufacturing defects.
- Normal wear and tear (for example damages to or discoloration of finish for any reason).
- Any product that has been altered or modified in any way
- Any product that the serial number has been tampered with or altered.
- Damages caused by accidents, force, lightning, strike, fire, unsuitable ventilation, deposits of undefined substances, battery leakage, or any other unforeseeable risks that GR Bass can neither predict nor influence in any way.

The warranty period starts from the date of purchase reported on the invoice. Your sales slip or purchase invoice is necessary for warranty service.

Speakers are covered for 1 year from the date of purchase reported on the invoice.

GR Bass accepts no responsibility for any damage due to persons, animals, or things, damages for loss of profits or business, or damages resulting from the use or performance of the product.

GR Bass is an innovative and dynamic company that has been working for years in the music amplification sector.
